Alle Produkte in dieser Preisliste sind handgefertigt: daher ist jedes Stück als ein Unikat zu betrachten. Kleine Unterschiede in Gewicht, Größe oder Farbe sind nicht anfechtbar. Die domovari GmbH behält sich das Recht vor, die technischen Datenblätter und Eigenschaften der Artikel jederzeit und ohne vorherige Ankündigung zu ändern. Es ist grundsätzlich vor der Installation zu überprüfen, ob die mitgelieferten Schrauben und Befestigungsmaterialien mit der Art der Wände/des Trägers kompatibel sind. Die/der Installierende muss die Kompatibilität des gelieferten Befestigungssystems prüfen und gegebenenfalls ein geeignetes System auswählen. Die domovari GmbH haftet nicht für direkte oder indirekte Sach- und/oder Personenschäden, die durch Unterlassung entstehen.

All the products in this price list are handmade: therefore each piece made is unique. Small differences in weight, size or colour are not contestable. domovari GmbH reserves the right to modify the technical data sheets and characteristics of the articles at any time and without prior notice. It is always necessary to check before installation that the screws and fixing materials supplied are compatible with the type of wall/support. The installer must check the compatibility of the fixing system supplied and select a suitable system if necessary. **domovari GmbH** is not responsible for any direct or indirect damage to property and/or personal injury caused by omission.

So kalkulieren Sie Ihren Waschtisch: Bitte nehmen Sie die Maße über alles Ihres gewünschten Waschtisches (L x B) und wählen Sie den Preis gemäß der Tabelle. Dazu addieren Sie ein oder mehrere Becken Ihrer Wahl und gegebenenfalls eine Schürze. Des Weiteren können Sie Ihren Waschtisch mit Extras ausstatten. | To calculate the price of your domovari wash-stand: Measure-up your desired wash-stand (L x B) and look for an appropriate plate thickness in the following table. Then add your choice of basin, apron and possible extras to determine the total cost.
